

ANNUAL REPORT 2020-2021

Education is the most powerful weapon you can use to change the world..The students of The United Public School are prepared for their success in life and we give them experiences which help them to strengthen and improve their quality of life. “**Education** is the passport to the future, for tomorrow belongs to those who prepare for it today.”In The United Public School we give our best efforts, to give quality and real life experiential teaching to the students .To fulfill our vision ,The UPS provides compatible environment in which every child discovers and realizes their potential in order to maintain the Motto of the school “**Aspire High Achieve High**”.

Teacher Training Program

Twice a year, subject based workshops and general training programs are being organized for our teachers. Well known resource persons are invited and our teachers are trained on Pedagogy ,Classroom management and how to be a conscientious teacher .Subject based workshops are also conducted in English, Maths, Social Studies, Hindi and Science. Our teachers also attend the workshops and training programmes conducted by CBSE regularly to update their knowledge and improve their teaching.

Academics:

We follow Montessori curriculum for Kindergarten. We use a blend of best learning methods and techniques. Moreover, we not only focus on experiential learning but also conduct hands-on activities for KG children. In the middle school, our transaction process is completely child centric and participatory. Our students are encouraged to be strong critical thinkers, independent and collaborative learners throughout their lives. Hence Classroom and lab work are strengthened with educational field trips. Through effective primary education at The UPS students get the chance to develop their social, cognitive, cultural, emotional, and physical skills and enhance them to the best of their abilities. We go along with NCERT syllabus from Grades VI - X. Art Integration is implemented from Grades I-X .Python classes are accomplished from Grade VI-X.NEET coaching is been provided from grade VI – X.

Co –curricular activities like Yoga ,Music and Physical Education and the Extra Curricular Activities like Karate ,classical dance ,chess ,Instrumental music help the children to develop holistically. We also have club activities like ECO club, Math Club, Interact Club .

Celebrations:

The school inculcates the bonding in the family with its flagship celebration of various events. Children will remember an important day only if they are told what the occasion signifies. Celebrating events and festivals in our school has become an integral part of learning and building a strong cultural belief. Such celebrations bring the students closer to each other's traditions and cultural beliefs and develop respect and understanding for each other's customs and traditions. All the National and International days for each month is being celebrated in our school like **Independence Day, World health Day, National Education day, Mother's day, Grandparent's day** etc. Other famous festivals of India include **Lohri, Raksha Bandhan, Holi, Diwali** , etc. With so many festivals to celebrate, Indians surely have millions of reasons to rejoice!
