

KINDERGARTEN

I. ACADEMIC ENRICHMENT ACTIVITIES

1. LITERACY SKILLS

Kindergarten students will learn several basic literacy skills during their first year, which typically build upon those skills acquired at home or in the preschool setting.

DRESS ME UP DAY

DATE: 27TH JULY, 2018

One important aspect of dress-up play is that kids learn to carry themselves confidently in front of the audience. Our blooming buds impressed the audience with their performance.

CLAY DAY

DATE: 16TH AUGUST, 2018

Playing with modelling clay or pottery clay helps children develop their fine motor skills, competencies and it also act as a stress buster.

GRANDPARENTS DAY

DATE: 21ST AUGUST, 2018

The relationship between the grandparents and grandchild is a very special and pure one. Grandparent's day is celebrated to strengthen and glorify the bond.

PHONICS DAY

DATE: 6TH SEPTEMBER, 2018

Letter sound knowledge helps children to read, spell and write words accurately and helps to pronounce and speak the words like nature speakers.

DRAMA DAY (Topic: Save Trees)

DATE: 17TH OCTOBER, 2018

A small skit on save trees was performed to enlighten the children on the importance of trees and encourage them to grow and care for trees.

KG RHYMES DAY

DATE: : 27th, NOVEMBER, 2018

Nursery rhymes are a powerful learning source in early literacy. They enable children to become interested in the rhythm and patterns of language in a way that listening to stories does not provide.

**AATHICHUDI RECITATION**

DATE: 14th DECEMBER, 2018

As we also revisit the traditional techniques of India, Aathichudi recitation was conducted on 14th December, where our tiny tots really performed very well with lot of energy and confidence.

**STORY TELLING**

DATE: 20th MARCH, 2019

Every culture has its own stories or narratives, which are shared as a means of entertainment, education, cultural preservation or instilling moral values.

2. NUMERACY SKILLS

Numeracy complements literacy and is sometimes called 'mathematical literacy'. Both skills are needed in order to function fully in modern life.

PATTERN DAY

DATE: 6TH JULY, 2018

The ability to recognize and create patterns helps to make predictions based on observations; this is an important skill in math.

**PARAMAPATHAM DAY**

DATE: : 20TH SEPTEMBER, 2018

It's perhaps no surprise that Snakes and Ladders develop children's counting abilities. They consistently rolled the dice and counted the numbers on the board.

**SORTING DAY**

DATE: 20TH SEPTEMBER, 2018

Getting practice with sorting at an early age is important for numerical concepts and grouping numbers & sets. Children understand things that are alike and different and group them.

**PRE-MATH DAY**

DATE: 10TH OCTOBER, 2018

Early math programs must be hands-on, filled with play and exploration. Children love to move and use their senses.

Some of the activities:

KG SHAPES DAY

DATE: 05th DECEMBER, 2018

It was a day of Fun with Shapes. Various items, fruits and vegetables were displayed with different shapes on that day. Kids recognized all the shapes with real fun.

NUMBER CONCEPT

DATE: 07th MARCH, 2019

Recognition of numbers supports the development of other number skills, such as counting. Number sense is important because it encourages students to think flexibly and promotes confidence.

3. LIFE SCIENCE

The learning situations/experiences of EVS help children to explore and connect with their natural and human made surroundings.

FIELD TRIP – THIRUVALLUVAR PARK

DATE: 12TH SEPTEMBER, 2018

We broaden the education experience and make the subject more relevant by means of Field trip. It is also happy to see the happy and excited faces of our little buds.

RED DAY

DATE: 14TH SEPTEMBER, 2018

'Red Day' – The motive of this day is to make the children aware of the colour – Red and its significance.

FIELD TRIP – POST OFFICE

DATE: 13TH OCTOBER, 2018

Excursions are means of educating ourselves on how certain things work and how we rely on certain services. We had a wonderful visit to the Post-office.

FIELD TRIP – FARMING HOUSE

DATE: : 30th, NOVEMBER, 2018

Kids were taken to farming house to give an experience of nature. They were very joyful to see the green scenery and farm animals.

**KG FRUIT SALAD DAY**

DATE: 12th DECEMBER, 2018

With an objective to create awareness among the tiny tots about the importance of consumption of fruits, we celebrated the fruit salad day.

**OBJECT TALK**

DATE: : 21st JANUARY, 2019

Object Talk is initiated for the kids to improve their speaking and language skill.

The United Public School

The United Public School run by UIT Educational Trust started its journey in the year 2018 with the motto 'Aspire High Achieve High'. At present the school is functioning from Kindergarten to Grade-VIII.

Our Vision

To provide a holistic learning environment to enlighten and empower young minds and to become leaders in the knowledge economy.

VISIT TO SUPER MARKET

DATE: 20TH SEPTEMBER, 2018

As a part of learning activity, our kindergarten students were taken to 'Lakshmi Department Store' in Periyanaickenpalayam on 2nd April, 2019.

**S. Shanmugam, Founder and Chairman**

Shanmugam Subramaniam is considered to be a pioneer in IT education in Coimbatore. He has successfully trained more than 12000 students of leading engineering colleges in C/C++/Java and laid a strong foundation for them to be successful engineers in the IT industry.

Hailing from rural background, he has founded UIT along with Mahalingam Ramasamy with a vision to transform students from rural and backward areas to finest citizens of tomorrow.

He has initiated several additional courses into the mainstream of learning, which helps our students to face the competitive world.

- Run by UIT educational trust, having rich experience and expertise in quality education. Our team is committed by teaching and training the young children.
- United sports complex: A modern state-of-the-art facility for both indoor and outdoor games.
- Located in serene atmosphere, blended with the freshness of nature, promoting enjoyable learning experience.
- Student's adventure and leadership programs are extensively conducted at our Ooty campus.
- Regular pursuit of Co-curricular activities besides developing aesthetics and sharpening sensibilities entertains and provides welcome change from the classroom.
- Science Park, well-stocked digital Library, state-of-the-art Maths, Science and Robotics Lab with modern fittings and latest equipment.
- Herbal Garden with more than 70 herbal plants recognized by Eco-club, Coimbatore.
- Vaagdevi Dance Academy shapes the multi-faceted talents of our children by depicting their skills on dance and song.

**OUR
UNIQUE
FEATURES**

PRIMARY
