I. SCHOLASTIC ACTIVITIES

- Scholastic activities include the academics, assessment, notebook upkeep and enrichment activities

EXPERIENTIAL ACTIVITIES

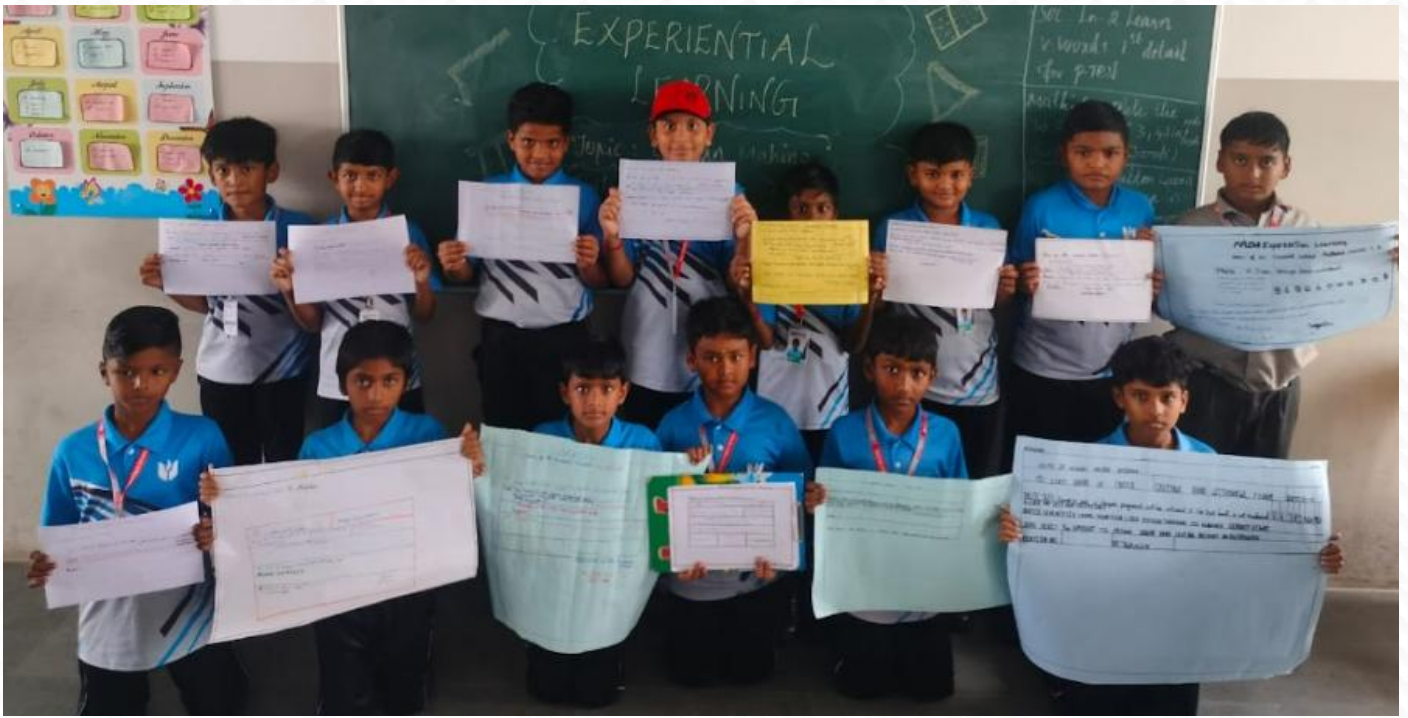

Experiential activities are hands-on experiences that facilitate learning, growth, and development.

We, at UPS, plan experiential activities for all students from KG – Grade VIII to encourage active learning, participation and to enhance self-awareness, confidence, and self-esteem.

The main objective of Experiential Activity is as follows:

- Develop knowledge and understanding of specific subjects.
- Improve critical thinking and analytical skills.
- Enhance research and information literacy.
- Foster curiosity and love for learning.
- Encourage application of theoretical concepts to real-world scenarios.

PERIODIC ASSESSMENT – 1 (EXAMINATION-WRITTEN TEST)

To Evaluate students learning ,understanding and also to analyze the learning outcome of the students the **Periodic Assessment–I** was conducted in the mode of worksheet and enrichment activity from 22.07.2025 to 30.07.2025 **FOR KG TO GRADE VIII.**

- This helps to identify the students area of improvement and adjust the teaching methods to the need of the student.

PARENT-TEACHER MEETING (PTM:1)

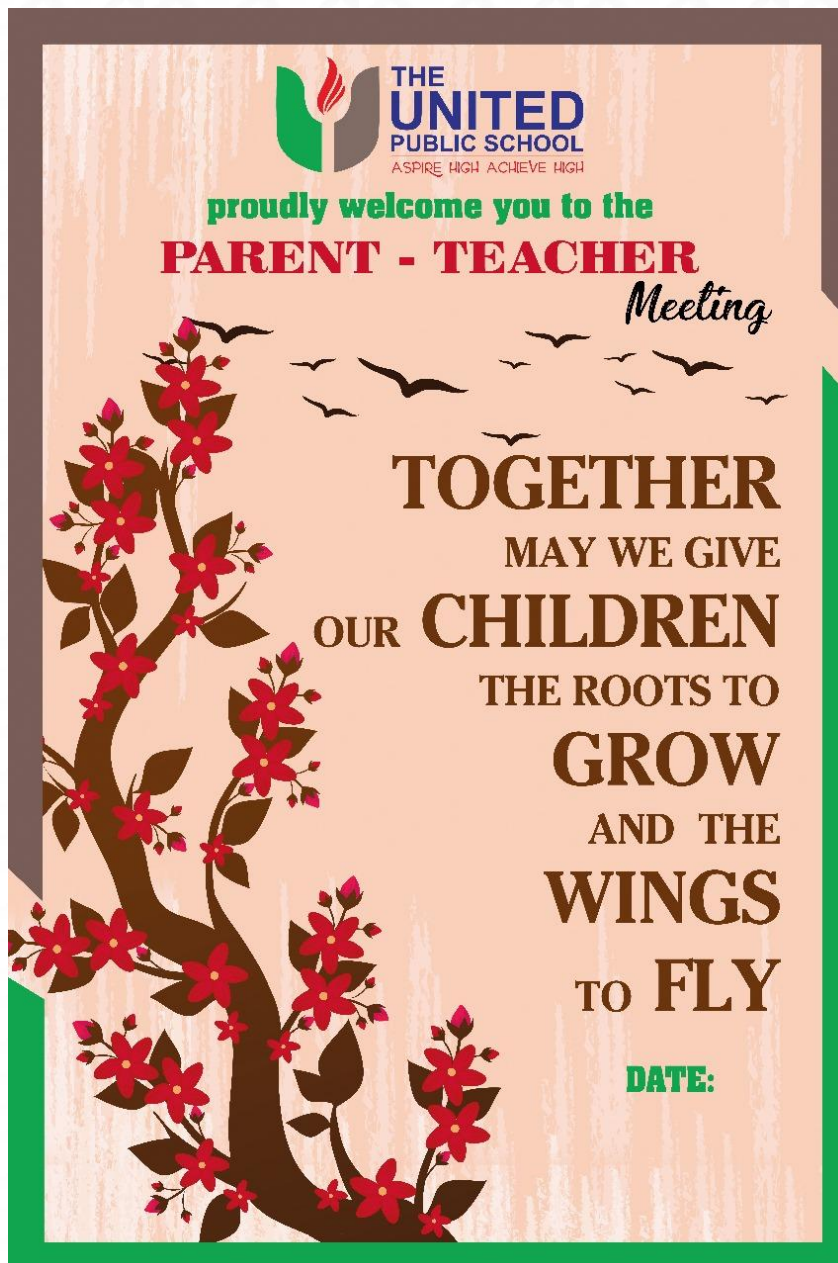

Parent-Teacher Meetings (PTMs) are essential for building a strong partnership between parents and teachers, ensuring student success

PARENT TEACHER MEETING for PA-I was conducted on **02nd August, 2025 (Saturday)**.

The Objectives of UPS PTM includes the following:

- Discuss student progress and performance.
- Set goals and develop strategies for improvement.
- Foster open communication and collaboration.
- Address concerns and resolve issues.
- Build a supportive community.

By conducting effective Parent-Teacher Meetings, educators and parents can work together to ensure student success.

II. CO- SCHOLASTIC ACTIVITIES

GRADUATION DAY GX & WELCOME CEREMONY OF GXI: 06.06.25

On June 6, 2025, The United Public School warmly welcomed the new batch of Grade XI students, marking a momentous occasion as they joined our vibrant school community.

The ceremony was filled with joy, nostalgia, and anticipation as students, parents, and teachers gathered to commemorate this significant milestone. We honored the achievements of our graduating students and welcomed the fresh faces of GXI with open arms.

III. KINDERGARTEN ACTIVITIES

A. ACADEMIC ACTIVITIES

Kindergarten plays a vital role in a child's educational journey, laying the foundation for formal learning and lifelong development. It helps children develop essential skills, confidence, and independence, enabling them to become effective communicators and thrive in school and beyond.

Foundational Benefits:

- Develops social, emotional, and cognitive skills
- Fosters confidence, independence, and self-expression
- Encourages curiosity, creativity, and love for learning
- Prepares children for a smooth transition to formal education

A Strong Start for a Bright Future

By providing a nurturing and engaging environment, kindergarten sets the stage for a child's future success, helping them grow into capable, confident, and compassionate individuals.

SENIOR KG - MAKING SHAPES USING STICKS (25.06.25)

On June 25, 2025, our Senior KG students engaged in a fun and interactive activity - creating shapes using sticks! This hands-on exercise helped them develop their fine motor skills, spatial awareness, and creativity while introducing basic geometry concepts.

By using sticks to form shapes, our young learners gained a deeper understanding of shapes and their properties. This activity encouraged problem-solving, critical thinking, and collaboration, making learning an enjoyable experience.

JUNIOR KG - SORTING ACTIVITY (26.06.25)

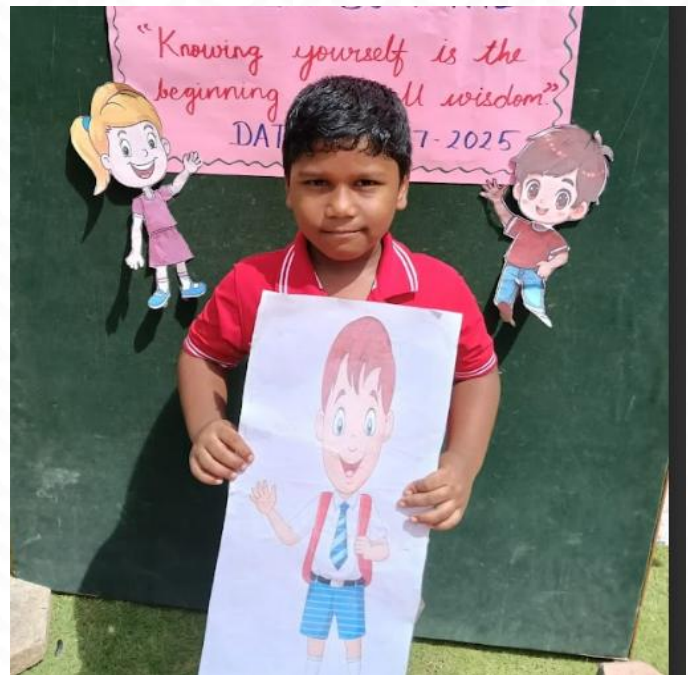

On June 26, 2025, our Junior KG students enjoyed an engaging sorting activity, developing their problem-solving skills and hand-eye coordination. This interactive exercise introduced them to categorization and classification concepts.

Our young learners had fun sorting objects by shape, color, and size, enhancing their critical thinking and analytical skills.

SENIOR KG - ABOUT MYSELF (03.07.25)

On July 3, 2025, our Senior KG students enthusiastically participated in the "About Myself" activity, creatively expressing their thoughts, feelings, and experiences. This engaging exercise fostered self-awareness, confidence, and individuality.

PRE KG - SORTING COLOURS (09.07.25)

To develop fine motor skills and colour recognition in young learners through a fun and interactive way Sorting activity was conducted for Pre KG kids on 09th July. In this engaging activity, Pre-KG students will sorted colour balls into corresponding colour categories. This hands-on exercise enhances their ability to identify and differentiate between various colours while promoting problem-solving skills and hand-eye coordination.

PRE KG – ABOUT MYSELF (15.07.25)

In this activity, Pre-KG students will share details about themselves, such as their name, family, favourite colours, foods, or toys. This exercise helps develop their communication skills, self-awareness, and social interactions.

JUNIOR KG - READING ACTIVITY (17.07.25)

To enhance reading skills and build confidence in young readers, Reading activity was conducted for Junior Kg kids to promote fluency and word recognition skills.

PRE KG - LINES & PATTERNS ACTIVITY (25.07.25)

This engaging activity is designed to enhance fine motor skills, problem-solving abilities, and creativity in young learners. Through exploration and creation of various lines and patterns, students will develop their spatial awareness and critical thinking skills.

B. CELEBRATIONS

GREEN DAY CELEBRATIONS: 26.06.25

"Green is the colour of growth, renewal, and harmony."

Colour days are always fun for kids. One such day was the 26th June when the children celebrated Green Day. The motive of celebrating the green day was to make the kids aware of the colour green, its significance and to develop the fine motor skills in the students. Early identification of colours helps to create the cognitive link between visual clues and words which is an important part of a child's holistic development. All kids dressed up in green, adding to the festive atmosphere. Students brought one green object each and shared a few lines about it, promoting creativity and public speaking skills.

YELLOW DAY CELEBRATIONS: 18.07.25

"Yellow: the colour of smiles, sunshine, and happy times!"

The little ones came dressed in their favourite yellow outfits, and the classrooms were decorated with bright yellow balloons and yellow objects. The kids participated in various fun-filled activities.

The students learned about the significance of the colour yellow and its association with feelings of happiness, optimism, and sunshine.

C. FIELD TRIPS

JUNIOR KG & SENIOR KG – UCON LAB (7th & 15th July)

IV. WORKSHOPS: Grade XI & XII

COMPUTER HARDWARE & ITS COMPONENTS -18.06.25

The workshop aims to provide students with hands-on experience and in-depth knowledge of computer hardware components, enabling them to understand the inner workings of a computer system.

Key Topics Covered

1. Introduction to Computer Hardware: Understanding the basics of computer hardware and its importance.
2. Components of a Computer System: Exploring the different components, such as CPU, motherboard, RAM, storage devices, and peripherals.
3. Hardware Assembly and Troubleshooting: Hands-on experience assembling and troubleshooting computer hardware components.

The workshop aims to provide students with hands-on experience and knowledge on installing computer software, enabling them to understand the process and troubleshoot common issues.

Key Topics Covered

1. Introduction to Software Installation: Understanding the basics of software installation and its importance.
2. Types of Software: Exploring different types of software (operating systems, productivity software, antivirus software, etc.).
3. Installation Process: Step-by-step guide on installing software, including:

I. SCHOLASTIC ACTIVITIES

- Scholastic activities include the academics, assessment, notebook upkeep and enrichment activities

EXPERIENTIAL ACTIVITIES

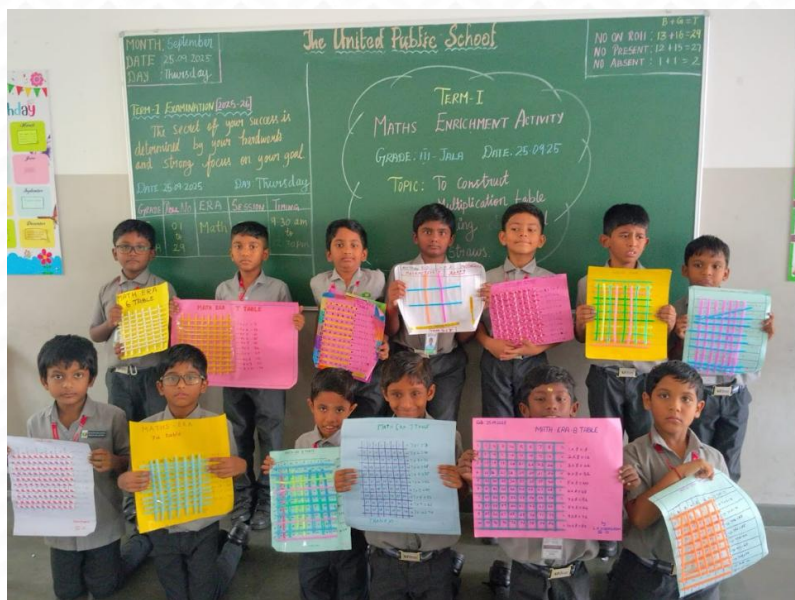

Experiential activities are hands-on engaging experiences that facilitate learning, growth, and development.

We, at UPS, plan experiential activities for all students from KG – Grade VIII promote holistic development, critical thinking and problem-solving skills.

The main objective of Experiential Activity is as follows:

- Develop knowledge and understanding of specific subjects.
- Making learning fun & interactive.
- Enhance research and information literacy.
- Foster curiosity and love for learning.
- Encourage application of theoretical concepts to real-world scenarios.

TERM – I EXAMINATION-WRITTEN TEST

To Evaluate students learning, understanding and also to analyze the learning outcome of the students the **TERM – 1 EXAMINATION** was conducted in the mode of worksheet and enrichment activity **FOR KG TO GRADE VIII**.

- This helps to identify the students area of improvement and adjust the teaching methods to the need of the student.

PARENT-TEACHER MEETING (PTM:2)

The **Term I PTM** was successfully conducted on **11th October 2025 (Saturday)**. The meeting aimed to provide parents with a comprehensive understanding of their child's academic progress, classroom performance, and social development.

Parents enthusiastically attended the meeting and actively engaged in discussions with teachers. Constructive conversations took place regarding students' learning habits, participation in classroom activities, and progress across different subjects. Teachers offered personalized feedback and guidance to help parents support their children's learning at home.

Outcomes of the PTM:

1. **Better Academic Performance:**

The PTM helped identify students' strengths and areas where additional support or intervention was required. With collaborative efforts between teachers and parents, targeted measures could be implemented to enhance students' academic performance.

2. **Increased Parental Involvement:**

The meeting encouraged parents to take an active role in their child's educational journey. Many parents expressed their willingness to participate in school activities, monitor home assignments, and reinforce positive learning habits, thereby contributing significantly to their ward's development.

3. **Enhanced Teacher Support:**

Teachers gained valuable insights into each child's learning environment at home, enabling them to better understand students' individual needs. This exchange of information allowed teachers to adapt their teaching methods, introduce new strategies, and provide tailored academic support to ensure effective learning outcomes.

4. **Focus on Student Well-being:**

Beyond academics, the PTM also addressed important aspects of students' emotional, social, and behavioral well-being. Teachers and parents discussed ways to promote positive behavior, self-confidence, and motivation in students. This holistic approach ensured that every child received the encouragement and care needed for overall personality development.

Overall, the **Parent-Teacher Meeting for Term I** proved to be highly productive and insightful. It reinforced the importance of consistent communication between home and school and highlighted the shared responsibility of parents and teachers in nurturing every child's potential.

II. CO- SCHOLASTICS

Co-Scholastic includes Co-curricular activities, Celebrations, Contest & Events.

A. INTRA-SCHOOL CONTEST

SWIMMING PROFICIENCY ASSESSMENT-FREESTYLE – 26.09.2025

"Dive into excellence! Splash your way to victory!"

Freestyle Swimming Assessment was conducted for our students on 26.09.2025, in association with My Life Sports Academy in the below categories:

-Group I - Boys

- Distance: 25m and 50m

- Group II - Boys

- Distance: 15m and 30m

- Group III - Boys and Girls

- Distance: 15m (same distance for both boys and girls)

The assessment evaluates students' freestyle swimming proficiency across different distances and groups.

SOCIAL SCIENCE CONTEST – 27.09.2025

"Empowering Minds, Enriching Nation"

On 27th September, our school hosted a vibrant Social Science Contest for students from KG to Grade VIII. The event showcased enthusiastic participation across various categories.

Junior students (KG to Grade 1) unveiled their creativity through colouring, singing, solo dance, and fancy dress competitions. Pre-primary students (Grade 2-3) participated in 'Spot the State', while Primary students, Grade 4-5 identified state names and capitals.

Middle-School students impressed with their skills in declamation, monuments, rangoli, and state name & capital quizzes. The campus buzzed with excitement and festive energy as students gave their best efforts.

Kudos to all participants for making it a memorable event!"

B. INTER-SCHOOL CONTEST

46th Coimbatore Sahodaya Inter-School Declamation Competition

The United Public School had the proud privilege of hosting the **46th English Declamation Competition for boys & girls on 09th August 2025(Saturday)** .

A declamation is a formal speech that includes rhetorical language, demonstrative gestures & forceful emphasis to get the speakers point across. Declamations are used in dramatic oratory exercises & competitions but they are also a common way to get an audience to believe what you say.

Participation Overview:

- Total Schools Registered: 43
- Present: 41
- Total Number of Participants: 130 students

The competition was conducted in **four categories**, catering to different grade levels, each with a specific topic of famous oration. The Valedictory Ceremony commenced at 2.30 p.m., with the distribution of prizes and certificates to the winners and participants. The awards were presented by Dr Mythili S (Co-Chairman, United Educational Institutions & Secretary, UPS)

Every participant received a certificate of participation in recognition of their speaking skills. The ceremony concluded on a patriotic note with the National Anthem at 3:00 p.m.

The 46th English Declamation Competition hosted by The United Public School proved to be a platform for young minds to showcase their literary flair. The diverse genres and thoughtful topics encouraged students to blend creativity with critical thinking, making it a memorable and enriching experience for all.

Our students showcased their exceptional talents and skills by participating in various Sahodaya competitions. Their dedication, hard work, and passion yielded outstanding results, reflecting the school's commitment to holistic education.

C. FIELD TRIPS

"Learning outside the classroom is just as valuable as learning inside."

At UPS, we believe that learning extends far beyond the classroom walls. Our field trips are designed to provide students with hands-on experiences, real-world connections, and opportunities to apply academic concepts in practical settings.

Why Field Trips Matter?

- *Deeper understanding*: Field trips help students connect theoretical concepts to real-life situations, promoting deeper understanding and retention.
- *Broadened perspectives*: Exposure to new environments and cultures broadens students' horizons, fostering empathy, tolerance, and global awareness.
- *Skill development*: Field trips encourage teamwork, communication, problem-solving, and critical thinking, essential skills for future success
